RE: Approval of Class B-1 (Package Sales) Liquor License Application for AA Suman Inc.,
d/b/a R & S Liquors – 415 E. Wilson St

The Batavia Police Department Investigations Unit conducted a background check (Report #19-6904) to
determine whether the corporation AA Suman Inc., d/b/a R & S Liquors, located at 415 E. Wilson St, and
its president Ritesh Patel, might be suitable to receive a liquor license in the City of Batavia. Mr. Patel’s
application indicated he is purchasing the business from the previous owner at that location. We have
completed our checks and found no problems which would preclude the corporation or its corporate
officer from receiving a Class B-1 Package Sales License, as of this date.

I would ask that this item be placed on the agenda for review during the next Joint Committee of the
Whole meeting on Tuesday, March 30, 2021 and for final approval at the Monday, April 5, 2021 meeting
of the City Council. Should you have any questions in this regard, please contact me.

RE: Consideration of an Application for Grant Funds Offered through the City’s Downtown Signage Assistance Program to Light & Pine Collective 222 E. Wilson St. in the Amount of $995.34. (Res. 21-029-R)

Background  
The City of Batavia has established a Downtown Signage Assistance Program through which downtown business building owners or their tenants (lessees) may apply for grant funds up to $1,000.00, or 50% of actual improvement costs, whichever is the lesser amount. Suzanne Ray, on behalf of Light & Pine Collective, has applied for a $1,000.00 matching signage assistance grant to produce and install a new building façade sign. Total cost of signage project is $1990.68 (excludes permit fees paid).

It should be noted that the consideration and would-be approval of this grant award falls outside of normal administrative processes in the City’s consideration for signage grant applications, in that the sign has been produced and already installed. However, in a strict reading of the “Eligibility” requirements of the Signage Assistance Program, this fact does not preclude the City from granting the funds under the Program (see immediately below):

Eligibility  
1. Projects must be located in the Downtown Historic District and in one of the City’s Tax Increment Finance Districts. Yes.  
2. Entire grant amount is payable upon completion of the sign and passing final inspection by the City. Yes.  
3. Business must be in a permanent location. Incubator businesses subsidized by the City through controlled rent costs would not be eligible. Business must have a lease for an additional period. Yes.  
4. Projects must have a minimum budget of $500.00. Yes.  
5. Projects eligible for grants may receive reimbursement for up to 50% of the actual façade improvement costs to a maximum of $1,000. Yes.  
6. Any signage requests must still be reviewed and approved by the Historic Preservation Commission (HPC) and be processed through the proper channels. Yes.  
7. Signs may be relocated elsewhere within the City limits is the business relocates. Signs may not be used outside the City limits. NA.

Recommendation  
Staff recommends that the City Council Committee of the Whole recommends for Council approval the attached Resolution 21-029-R, awarding a Downtown Signage Assistance Program grant in the amount of $995.34 to Light & Pine Collective.

If the contractor or subcontractor believes the work is not subject to the Prevailing Wage Act, and it is later determined by the Illinois Department of Labor or a court of competent jurisdiction that prevailing wages should have been paid, the contractor shall indemnify and hold the City harmless therein for all costs and penalties incurred by the City related to the violation, including reasonable attorneys fees incurred by the City to defend such an action.

SECTION 4: The CITY may periodically review the progress of the contractor's work on the improvement pursuant to this Agreement. Such inspections shall not replace any required permit inspections by the Building Commissioner. All work which is not in conformance with the approved drawings and specifications shall be immediately remedied by the Owner, or its successor, and deficient or improper work shall be replaced and made to comply with the approved drawings, specifications, and terms of this Agreement.
SECTION 5: Upon completion, final inspection and approval of the improvement by the CITY, the OWNER, or its successor, shall submit to the CITY a properly executed and sworn contractor statement showing the full cost of the work as well as a notarized lien waiver for each separate component amount paid. The CITY shall, within thirty (30) days of receipt of the contractor's statement and signed lien waivers, issue a check to the OWNER, or its successor, on a reimbursement basis only and for no more than fifty percent (50%) of such cost, not to exceed $1,000.00 (One Thousand Dollars and No Cents). The parties to this Agreement acknowledge that all activities eligible for cost reimbursement have been completed to the satisfaction of the CITY.

SECTION 6: If the OWNER, or its successor, fails to complete the improvement work provided for herein in conformity with the approved plans and specifications and terms of this Agreement, or fails to complete such work within 180 days from the date described in Section 2 above, then, upon written notice by certified or registered mail to the OWNER, or its successor, this Agreement shall terminate and the financial obligation on the part of the CITY shall cease and become null and void.

SECTION 7: Nothing herein is intended to limit, restrict or prohibit the OWNER, or its successor, from undertaking any other work in or about the subject premises which is unrelated to the improvement provided for in this Agreement.

SECTION 8: This Agreement shall be binding upon the CITY OF BATAVIA and upon the OWNER of the property and its successors, for a period of three hundred and sixty-five (365) days from and after the date of approval of this agreement provided for herein.
IN WITNESS THEREOF, the parties hereto have executed this Agreement on the date first appearing above.

To: Light & Pine Collective <lightandpinecollective@gmail.com>

I had to check with the sign ordnance to get a idea or what should work for you. The material for the frame should be metal non-illuminated. However the base has lights. I hope those work. You should check and see if they do light up. I can get a black aluminum frame and add panels to both sides with the main sign with the separate store names as separate name plates that can be replaced if needed. The photo shows a 6ft x 3ft metal frame. I made it transparent to show the post dimensions.

The cost would be $2,500.00. This would need to get approval from your landlord if you rent, approval from city of Batavia and historic district. I can provide layouts and site location measurements to apply for the permit.

Please let me know if you have any questions.
