**Motion:** To approve the minutes for April 11, 2016

**Maker:** Hagemann

**Second:** Roller

**Voice Vote:** 4 Ayes, 0 Nays, 1 Absent  
Motion carried.

**5. Matters From the Public (for items not on the agenda)**

Historic Preservation Commission (HPC) Chair Bus asked if there were matters from the public for items not on the agenda. There were none.

**6. COA Review: 122 East Wilson Street – Wall Sign (Lavya, Inc., applicant)**

Bus welcomed the applicant to address the Commission. Pertik Patel, 122 East Wilson Street, addressed the Commission. He stated that this COA is for a wall sign for Batavia Smoke n' Liquor. Bus noted that this building is non-contributing and has a long history of being a convenience store operation.

The Commission discussed the COA review for 122 East Wilson Street, Batavia Smoke n' Liquor. Patel stated that there is no sign on the building now. The proposed signage is internally lit. Roller asked about the raceway behind the Batavia portion. Patel stated that there are two separate raceways, one for Batavia and one for Smoke n Liquor.

Bus stated that he does not believe that this sign is appropriate for the Historic District and it does not meet the standards that we are trying to achieve in our Historic District. Roller noted that the guidelines discourage internally lit plastic signs. She read the guidelines for those in attendance. She asked if the other liquor store with internally lit signage is in the historic district. Albertson stated that he would have to double check. Bus asked if the sign has been fabricated already. Patel stated that the Smoke n' Liquor portion has been made but not the Batavia portion. Roller stated that the font is part of the issue. There are internally lit signs in the historic district. She stated that it is disconcerting that the sign has partially been fabricated without approval. Sherer asked how long the sign would be lit. Albertson answered that the sign code does not allow signs to be lit when the businesses are not open. The sign would have to turn off when the business is closed.

**Motion:** To approve the COA Review of 122 East Wilson Street as submitted  
**Maker:** Sherer  
**Second:** Hagemann

Discussion was made on the motion. Roller asked that applicants be made aware to not fabricate signage until approval is given. Albertson stated that even though the sign has been fabricated, that should not change the Commission's decision in any way. The applicant knew that they needed to have approval. Albertson stated he does not have any control over when they choose to fabricate the sign. Bus stated that it is very speculative to proceed to the fabrication stage without any necessary approvals. He does not think that it should ever be a deciding factor in our decision-making.

**Roll Call Vote:**      **Aye:** Hagemann, Sherer, Roller  
                          **Nay:** Bus  
                          3-1 Vote, 1 Absent, Motion carried

Albertson noted that the motion failed because it would need four votes to pass since there are seven total members of the Commission. Sherer questioned the seven members since there are only five people on the Commission currently. Sherer stated that we could never have a total of seven votes since there are only five sitting members on the Commission. Albertson stated that he would look into that and get back to the Commission.

**Motion:** To reconsider the COA for 122 East Wilson Street at the next meeting with a staff report on the necessary votes needed to approve motions.  
**Maker:** Sherer  
**Second:** Roller  
**Voice Vote:** 4 Ayes, 0 Nays, 1 Absent  
                  Motion carried.

Bus advised the applicant to not move forward with any additional fabrication on the signage. The next meeting is May 23, 2016.

**7. Updates:**  
    **1. 7 East Wilson Street – Historic Inspection**

- 2. Anderson Block Building – Masonry Maintenance**
- 3. Significant Historic Building Inspection Program**
- 4. 10/12 North River Street – Historic Inspection**
- 5. 227 West Wilson Street – Historic Inspection**
- 6. 109 South Batavia Avenue – Historic Inspection**
- 7. 8 North River Street – Historic Inspection**
- 8. 16 East Wilson Street – Historic Inspection**

\* Sullivan attended the meeting at 5:52pm.

Albertson stated that he would be meeting with the owners of 10/12 River Street to go over work done on the building. The El Taco Grande building owner has been met with as well. They are trying to get the final items finished. Albertson had a discussion with Mr. Marconi on the Anderson Block building and work is getting into the final stages. The ladder is supposed to come down off the Gammon House and Albertson will check to see if that happened.

#### **8. Other Business**

Roller discussed the updates to the guidelines. Roller reported that Sherer had a comment on major alterations adding in a requirement for a licensed architecture or engineer to be involved. Under new construction and additions, the last paragraph has been updated to stated that “it is strongly recommended that the applicant retain the services of a licensed architect or engineer for the design or construction of any new structure or addition in the historic district.” Roller suggested putting that same paragraph under major alterations and highlight the fact it is needed for significant buildings. There was no objection from the Commission. Hagemann stated that the wording should be changed from strongly recommended to require. Sherer agreed.

Bus asked if we are ready to have this on the future agenda. Roller stated that she feels that it is ready for review. Hagemann stated that it should be put onto the next agenda. Sherer asked if the Commission has a mission statement. Albertson stated that he is not sure. Sherer stated that it is important that we keep in mind what we are actually here for. Bus stated that Batavia was featured in West Suburban Living and we need to continue to preserve our downtown buildings. The revisions to the guidelines are a step in the right direction. Bus requested that the guidelines be put onto the agenda for the next meeting. Albertson asked to have the revised version sent to him to be attached to the next agenda.

Albertson announced that there would be a presentation on IHPA Certified Local Government by the Deputy Director of the IHPA on June 13<sup>th</sup>. Bus asked that the City Council members be notified on this presentation so that they could attend if they so choose. Bus added that the Batavia Historical Society might find this of interest as well.

Albertson shared that he got a response from the Landmarks Commission. The 2016 Drihaus Awards was posted today and the deadline is July 1<sup>st</sup>. Albertson handed the materials to Hagemann. The Commission would like to nominate Louise White School and Hagemann is spearheading the process.

Albertson announced that MainStreet has asked one of the Commissioners to be on a panel for Interiors for Business. Bus nominated Roller and Roller accepted. All members of the Commission offered to help with the presentation.

Albertson stated that the owner of Alianos would be at the next meeting with COAs for rope lighting, and a framed sign. The applications have been submitted and he will be at the next meeting in two weeks.

The next HPC meeting would be May 23, 2016.

## **9. Adjournment**

**Maker:** Sullivan

**Voice Vote:** 4 Ayes, 0 Nays, 1 Absent  
Motion carried.

**5. Matters From the Public (for items not on the agenda)**

Chair Bus asked if there were matters from the public for items not on the agenda. There were none.

**6. COA Review Continuation: 122 East Wilson Street – Wall Sign (Lavya, Inc., applicant)**

Albertson announced that the motion to approve the COA as submitted did pass. He explained that in order for a motion to carry it has to be approved by a majority of those present. The three to one vote was binding and did approve. The requirements for a quorum for the HPC meetings is to have four of the seven members present, even though there are only five current sitting members. Bus clarified that the vote taken at the last meeting was passed and approved the COA as presented.

**7. COA Review: 90 North Island Avenue – Rope Lighting (Mario Aliano, applicant)**

Chair Bus welcomed the applicant to address the Commission. Mario Aliano, owner of Aliano's, addressed the HPC. He stated that he was not aware that strip lighting was considered a sign. He apologized for not applying for a permit beforehand. He presented to the Commission an illustration of where the rope lighting was installed on the business and showed a picture of the LED lighting lit from his phone. He explained that the rope lighting is not only for aesthetics it is for lighting the parking lot and entrance as well. The lighting also helps people find his business.

Bus stated that this is a non-contributing building in the Historic District. Bus asked if the owner was cited for a code violation. Albertson stated that strip lighting requires a permit and work was done without a permit and without approval from the Commission. The owner was cited for a code violation. Bus asked the Commission's view on the lighting. Roller stated that her one concern is that the multi-tenant building does not have a uniform look. Bus asked if the entire building has to have the lighting. Albertson stated that it is up to the Commission to decide. Staff stated that they think it looks better with the entire building done but the Zoning Code does not require that the entire building be completed. Roller asked about the canopies on the building. Albertson answered that the canopies already existed and are not new to the building. Sherer commented that her vote tonight would be the last vote she would vote in favor of work that was done without approval. Sullivan asked if the other tenants have an opinion on the work that was completed. Aliano stated that he spoke with the other tenants and they like it. He added that it would cost another \$12,000 to install rope lighting to the entire building. The labor cost is expensive. He noted that the landlord did approve of the lighting that was installed to his business.

**Motion:** To approve the COA as submitted

**Maker:** Roller

**Second:** Sullivan

Discussion was held on the motion. The Commission reviewed the picture of the lit rope lighting and reviewed where the lighting was installed.

**Roll Call Vote:** **Aye:** Sherer, Roller, Sullivan, Bus

**Nay:** None

4-0 Vote, 1 Absent, Motion carried.

**8. COA Review: 90 North Island Avenue - Wall Sign**

Bus asked about the purpose and intent of the application before us tonight. Aliano stated that he built the sign with a professional carpenter. The sign was originally in the front window of Aliano's Express. City staff informed him that he had too much signage in his window. He then hung the sign between the businesses to differentiate between the two businesses. He wanted to make sure that his guests knew the difference between express and the restaurant because they are connected.

Bus stated that this is a nonconforming building in the Historic District. With approvals this would be a permitted sign. Albertson stated that there is no issue with the wall signage size or

location. The sign dimensions are 40.5625” wide, 39.875” tall and 1” thick. Roller commented that it looks like a picture frame in between two businesses. She commented that it would be better utilized inside.

**Motion:** To approve the COA as submitted  
**Maker:** Sullivan  
**Second:** Sherer  
**Roll Call Vote:** **Aye:** Sherer, Roller, Sullivan, Bus  
**Nay:** None  
4-0 Vote, 1 Absent, Motion carried.

**9. COA Review: 112 Spring Street – Roof Replacement (Reliable Home Services, applicant)**

Robert Chamberland, St. Charles, Reliable Home Services, address the Commission. He stated that 112 Spring Street is the future business of Weaver Partners and they need a roof replacement. The building is noncontributing. Chamberland distributed a sample shingle for Commission to view. The shingle style selected is an architectural raised profile shingle.

Mayor Schielke reported on the history of the building. He stated that the building is over one hundred years old and his family owned the property across from it for 120 years. The building was a single-family home for a number of years. The Grey family lived there and Mr. Grey worked at the coat factory on River Street, which is now Katrina’s Salon. Then the building was purchased by a chiropractor and there have been several owners of the building who were chiropractors. The parking is on River and Spring, across from Larson Becker.

Bus stated that the next agenda item is for the same property and asked if the Commission would be in support of handling both COA’s at the same time. There were no objections from the Commission.

**10. COA Review: 112 Spring Street – Window Installation (Fargo Enterprises, applicant)**

The Commission discussed the in kind replacement for the windows. There would be aluminum cladding windows and dark bronze finish. Sullivan asked if the aluminum material for the windows was acceptable. Roller stated that the existing windows are aluminum and they are replacing in kind. Vinyl was discouraged in the guidelines.

**Motion:** To approve the COAs for the roof installation and window installation for 112 Spring Street as submitted  
**Maker:** Sherer  
**Second:** Roller  
**Roll Call Vote:** **Aye:** Sherer, Roller, Sullivan, Bus  
**Nay:** None  
4-0 Vote, 1 Absent, Motion carried.

**11. Updates:**

- 1. 7 East Wilson Street – Historic Inspection**
- 2. Anderson Block Building – Masonry Maintenance**

- 3. Significant Historic Building Inspection Program**
- 4. 10/12 North River Street – Historic Inspection**
- 5. 227 West Wilson Street – Historic Inspection**
- 6. 109 South Batavia Avenue – Historic Inspection**
- 7. 8 North River Street – Historic Inspection**
- 8. 16 East Wilson Street – Historic Inspection**

Albertson stated that there were no updates at this time.

## **12. Other Business**

Ted Zadka, 1078 Public Drive, Batavia, addressed the Commission. He reported that all the asbestos has been removed and the siding has been replaced and the new roof is going on. The United Methodist Church is looking for approval for a finial to go on the tower. Right now there is nothing there. They are proposing to have something similar to what was installed in 1987, which is a copper finial. Zadka distributed pictures of four finial options the church is considering. He also distributed historic pictures of the church that show past finials. Zadka stated that the Windsor finial style was chosen because it looks most like the original. He asked the Commission for their informal approval on all of the finial options. The consensus of the Commission was in favor of any of the finial options. Bus stated that he appreciates their efforts to add a significant feature to an architecturally significant building.

Zadka stated that the one finial would be going on the tower roof. Since they have been currently working on the roof they have found a post there to install a finial. The church would like to install the finial while construction on the roof is underway. Chair Bus stated that the next Commission meeting is in three weeks. Zadka stated that the installation is time sensitive and three weeks is too long of a wait to install the finial while the roof is being worked on. He apologized for not getting to the Commission earlier but they were not aware that there was a post to be able to install the finial until the roof work was underway. The Commission considered having a special meeting to formally approve the finial. Seeing that all the attending HPC members were in support of any finial choice supplied, the HPC decided to encourage the applicant to proceed with the finial installation and the finial would be approved retroactively at the next meeting. Bus stated that this is an addendum to the COA that the HPC previously acted on and the finial is part of the building permit and there would be no violation. This would be on the agenda three weeks from tonight. The Commission encouraged the applicant to attend that meeting.

Sherer stated that Dan Shanahan's yoga sign looks plastic or oil cloth. Albertson stated that the temporary banner permit should expire soon.

Roller stated that the Design Guideline review would be on the next agenda.

Roller announced that the panel for Interiors for Business went very well. She was not able to find before and after photographs of some of the buildings. She asked if Albertson had any of those in his files. Albertson stated that he would have to look.

Bus announced he joined the Preservation Partners.

**13. Adjournment**

There being no other business to discuss, Chair Bus asked for a motion to adjourn the meeting at 6:40pm; Made by Sherer; Seconded by Sullivan. Motion carried.

Minutes respectfully submitted by Jennifer Austin-Smith

**MINUTES**  
**May 4, 2016**

PLEASE NOTE: These minutes are not a word-for-word transcription of the statements made at the meeting, nor intended to be a comprehensive review of all discussions. They are intended to make an official record of the actions taken by the Committee/City Council, and to include some description of discussion points as understood by the minute-taker. **1. Meeting Called to Order for the Plan Commission and Zoning Board of Appeals Meeting**

Vice-Chair Schneider called the Plan Commission (PC) and Zoning Board of Appeals (ZBA) meeting to order at 7:00pm.

**2. Roll Call:**

**Members Present:** Vice-Chair Schneider; Commissioners Peterson, Harms and Joseph

**Members Absent:** Chair LaLonde; Commissioner Gosselin

**Also Present:** Joel Strassman, Planning and Zoning Officer; Drew Rackow, Planner; and Jennifer Austin-Smith, Recording Secretary

**3. Items to be Removed, Added or Changed**

Strassman reported that the City, as applicant, has withdrawn their application for an amendment to the City's Zoning Map. Strassman explained that not all of the landowners want this item to move forward. Therefore, agenda item number six will be removed from the agenda and the Public Hearing would not be held.

**4. Approval of Minutes: April 6, 2016 Plan Commission  
April 20, 2016 Plan Commission and Zoning Board of Appeals**

**Motion:** To approve the Plan Commission minutes from April 6, 2016 and Plan Commission and Zoning Board of Appeals minutes from April 20, 2016

**Maker:** Joseph

**Second:** Harms

**Voice Vote:** 4 Ayes, 0 Nays, 2 Absent  
Motion carried.

**5. PUBLIC HEARING: Variances for a Home Second Story Addition at 514 Main Street Spillane and Sons, Mike Spillane, Applicant**

Rackow reported that tonight's public hearing is for a variance that would allow a second story addition at 514 Main Street. This property is zoned Residential Single Family High Density, R1H. The applicant is proposing to use the existing footprint of the sunroom off the east side of the building and build above that footprint only to create a second bathroom on the second floor. It would not increase the size of the structure's footprint. A second floor addition, under the Zoning Code, would have to meet the current setback requirements. The current setback

requirements for this property are five feet on one side and ten feet on the other. The variance request would be to allow this second floor encroachment to encroach into that required five-foot setback and to allow the overhangs to go into that required setback up to 1.625 feet rather than the required three feet. A variance is also proposed for the west interior setback of the home. Rackow reminded the ZBA that a garage variance request was reviewed earlier this year, which reviewed many of the conditions on the property. The applicant has explained, to enhance the livability of the home, a second bathroom is needed and it would have a positive effect of the neighborhood.

Rackow stated that staff is in support of the variances, mostly because it would not increase the footprint of the building. This is a small variance relative to the overall site. If the findings are found in the affirmative, staff is recommending approval of the following variances: an east setback of 2.87 feet with a roof overhang to be at 1.625 feet from the property line, and to establish the existing west side of the building having a side setback of approximately seven feet rather than the required ten feet.

**Motion:** To open the Public Hearing  
**Maker:** Peterson  
**Second:** Joseph  
**Voice Vote:** 4 Ayes, 0 Nays, 2 Absent  
Motion carried.

Strassman swore in all who wanted to address the Commission and Zoning Board of Appeals.

Thomas Bridge, 365 S Jefferson St, a resident of Belleview place, stated that he is in support of the work that the applicant, Mr. Spillane, has done. Mr. Spillane has taken dilapidated homes and improved them for the better. The more that people like Mr. Spillane come to Batavia and rehab homes the more the City will receive a positive effect in terms of our equity and resale. It would behoove the City to pass these variances right away. The home is an eyesore and it would be changed into positive equity to the community.

Mike Spillane, applicant, stated that he is here to answer any questions. There were none.

**Motion:** To approve the five findings as listed on the 4-28-16 memo  
**Maker:** Joseph  
**Second:** Peterson  
**Voice Vote:** 4 Ayes, 0 Nays, 2 Absent  
Motion carried.

**Motion:** To recommend approval of the three variances  
**Maker:** Harms  
**Second:** Schneider  
**Voice Vote:** 4 Ayes, 0 Nays, 2 Absent  
Motion carried.

Rackow stated that staff would try to get this item on the May 10<sup>th</sup> Committee of the Whole agenda. Otherwise it would have to go onto the May 24<sup>th</sup> agenda. The May 17<sup>th</sup> agenda is being utilized for closed session, interviewing for the new City Administrator.

**6. PUBLIC HEARING: Amendment to the Official Zoning Map from LI, Limited Industrial to R2, Two Family Residence District. Northeast Corner of South Mallory Street and First Street. City of Batavia, Applicant.**

This was removed from the agenda. The applicant withdrew their application.

**7. Approval: Amendments Plan Commission & Zoning Board of Appeals By-Laws**

Rackow stated that the changes of the bylaws were based on the conversation at the last PC and ZBA meeting. The changes are to remove the limitation of one term for the chair and vice-chair. During staff's review, it was discovered that we do have to make modifications to the Zoning Code for the requirements for the ZBA. As part of the next PC meeting, we will have a Public Hearing. Action could be made on the bylaw contingent on the zoning change taking place. The PC changes could be made without any such condition. Joseph stated that she likes the way the bylaws are written.

**Motion:** To approve the Plan Commission bylaws for the officers term of chair and vice-chair, that they may be re-elected no more than three consecutive two-year terms

**Maker:** Joseph

**Second:** Peterson

**Voice Vote:** 4 Ayes, 0 Nays, 2 Absent  
Motion carried.

**Motion:** To approve the Zoning Board of appeals bylaws for terms of chair and vice-chair with election every two years and may be re-elected no more than three consecutive terms contingent on amendment to the Zoning Code

**Maker:** Joseph

**Second:** Harms

Discussion was held on the motion. Joseph asked if the ZBA chair and the vice-chair could be different than the PC. Strassman stated that having the same chair and vice chair for both the PC and the ZBA does work best since the two function jointly. However, there is no requirement that they be the same.

**Voice Vote:** 4 Ayes, 0 Nays, 2 Absent  
Motion carried.

**8. Election of Officers – Plan Commission & Zoning Board of Appeals**

Strassman stated that election of the chair and vice-chair are to be every two years at the first meeting in May. There are two Commissioners not in attendance this evening. An alternative would be to individually table each one of these elections. We would want to table the ZBA election until the City Council takes final action to amend the Zoning Code. It may be best to table each of these items until that time. In the interim, the current chair and vice-chair would

continue in their capacities until new ones are elected. There was no objection from the Commission.

**Motion:** To table election of officers for the Zoning Board of Appeals until June 15, 2016

**Maker:** Harms

**Second:** Joseph

**Voice Vote:** 4 Ayes, 0 Nays, 2 Absent  
Motion carried.

**Motion:** To table election of officers for the Plan Commission until June 15, 2016

**Maker:** Harms

**Second:** Joseph

**Voice Vote:** 4 Ayes, 0 Nays, 2 Absent  
Motion carried.

## 9. Other Business

Rackow reported that a text amendment would be at the next PC meeting to address the terms of office as well as some changes for accessory structures in the Residential Districts. Also, there may be a possible Design Review application.

The next PC meeting is May 18, 2016.

In response to an inquiry on the progress of the Dunkin Donuts drive through, Strassman reported that the owner has acquired more information on the existing building and existing retaining wall on the property from staff to give to his architect and engineer. The owner has been made aware of the six-month period in which the variances remain effective.

Schneider commended the City for the tree list that is on record. He stated that it is important to have a variety of species to avoid having the same issues as with the Ash trees. Strassman stated that staff does not allow more than three of the same species in a row on City parkways or development applications.

Rackow announced that the United Methodist Church would be going to the Committee of the Whole next week for their variances and map amendments.

## 10. Adjournment

**6. Ordinance 16-31: An Ordinance Authorizing Execution of a TIF Redevelopment Agreement with River Street Buildings, LLC and Relating to the Building Improvements at 27-29 N. River Street (Chris Aiston 5/5/16) GS**

The applicant distributed the PowerPoint presentation handouts to the Committee. The document was titled “River Street Buildings, 27-29 N River Street – Atrium Construction.” Aiston noted that in the consent agenda the Council rescinded the prior ordinance that awarded a grant to the building corporation for a \$25,000 matching grant. The applicant is now here to request a grant for \$25,000 along with requesting a loan in the amount of \$58,500. The loan would be a low interest loan to be paid back on a monthly basis over the next five years at a 2.75% interest rate. The project is growing, which now includes 27-29 North River Street. Aiston reviewed the PowerPoint presentation with the Committee.

Stark asked about the knee wall. John Hamel, owner of Pal Joeys, answered that the knee wall was created for safety and extra security while serving alcoholic beverages. Stark asked about the estimated completion date. Hamel stated that demolition starts as soon as they could move forward. He is thinking mid or late June at the latest. Cerone asked about the loan payback. Harrison noted that he had a loan from the City before for a sprinkler system and paid it back. Chanzit noted that the interest rate is below market right now. Aiston stated that we are below market and that is to incentivize the project. The applicant would save \$5,000 in interest over a five-year note.

**7. Ordinance 16-23: A Comprehensive Plan Land Use Map Amendment for 21 North Water Street, Batavia United Methodist Church, Applicant (Rackow 5/5/16) CD**

Stark reported ordinances 16-23, 16-24, and 16-25 should be considered together. The Batavia United Methodist Church is seeking changes that would amend the Comprehensive Plan Land Use Map designation for the 21 North Water Street property. The plan would be changed from Downtown Mixed Use (DMU) to Public Facilities and Institutional. The designation would be aligned with the rest of their buildings. The third action is for variances to address the existing parking, existing setbacks and perimeter. The changes would be used to utilize 21 North Water Street as a teen and youth ministries and bible study building.

Rackow explained the three ordinances to the Committee. He reported that the Plan Commission (PC) and Zoning Board of Appeals (ZBA) were supportive of the changes and recommended Design Review approval for minor modifications to the exterior to the 21 North Water Street building. Rackow continued that changing the district would align the property for that particular use. The ZBA recommended the condition recommending the installation of a sidewalk when the church makes any significant improvements or after five years. The PC and ZBA recommends approval and staff recommends approval as well.

CONSENT AGENDA

**10. Ordinance 16-27: Authorizing Execution of Annexation Agreement 2S668 Raddant Road (Joel Strassman 5/5/16) CD**

Stark noted that ordinances 16-27, 16-28, and resolution 16-48-R are all to be considered together. Stark stated that a resident submitted a recommendation to annex property owned by TMS Holdings. The property would be zoned R0, single family. The property is now zoned as Farming with a single-family residence on site. Stark stated that the County will not allow for a replacement septic system to replace the current failed one. Stark stated that if the City denies this ordinance, the residence would be considered inhabitable because it would not have the necessary sanitary sewer or septic system. As part of the Annexation Agreement, the applicant is requesting to delay the required connection to the City's electric utility and the installation of a sidewalk for up to fifteen years and not require public works and fire capital fund payments. The applicant has allowed for utility and drainage easements rights along all property lines and will reimburse the City for its cost for sidewalk installation, if the City installs a sidewalk, before the end of the fifteen year period.

Brown asked what happens if the current owner sells the home. Strassman stated that the new owner would be obligated. The agreement with obligations would appear as part of the title commitment. Hohmann asked about the capital fund payments and if they were waived in the past. Brown stated that they have been waived in the past and the City currently provides police and fire protection to that property.

**13. Ordinance 16-32: Variance for 514 Main Street 2<sup>nd</sup> Story Addition (Drew Rackow 5/5/16) CD**

Stark reported that the ZBA approved the variance request for the addition of a second story to allow for a second story bathroom addition. The variance requests would provide relief from Table 2.104 to allow a second story bathroom addition to be constructed with a setback of 2.87 feet rather than the required five feet, allow the roof overhangs to project into a required setback to approximately 1.625 feet rather than the maximum encroachment of 3 feet. Lastly, they considered a variance for the residence's existing west setback to allow a setback of approximately seven feet rather than the required ten feet.

The proposed variances would not change the footprint of the existing residence. The applicant indicated that the variances would allow for the most appropriate location for a proposed bathroom. The location of the existing residence proximate to property lines limits opportunities for expansion. The consensus of the ZBA was for a positive recommendation for the requested setback variances.

**14. Resolution 16-33-R: Authorizing Execution of the Contract for the 2016 Street Resurfacing Program with Geneva Construction Company in the amount of \$1,500,636.90 (Rahat Bari 5/2/16) CS**

Holm reported that this is for our annual roadway resurfacing program. There is a complete list of streets to be done this year included in the memo. The City received bids from four different contractors and Geneva Construction was the lowest bid. Staff is recommending approval and the value includes a 5% contingency over the bid. Brown noted that this is under budget. Callahan asked if this project would help with stormwater runoff. Holm stated that they would be correcting minor drainage issues, such as puddles forming at the curb. However, the way the stormwater drains would not be changed because they are not changing the roadway profiles.

**15. Resolution 16-47-R: Authorizing Execution of the Master Services Agreement (MSA) with Engineering Resource Associates (Rahat Bari 5/2/16) CS**

Wolff stated that this is for the riverbank stabilization project. The City has identified unstable areas adjacent to the Fox River that have affected the appearance of the river and are contributing towards the instability of the west banks located 300 feet north of Wilson Street (PEACE Bridge) to 1600 feet south of Wilson Street (Clark Island). The west bank of the river north of Wilson Street has experienced significant scour and bank erosion due to water level fluctuations, wave action, ice shear, and vegetation loss. Similar bank erosion is present on west side of river bank south of the bridge. In some areas, the exposed riverbank actually exhibits an overhang where the roots of large trees have been completely undermined by the river flow.

**DATE:** June 2, 2016

**TO:** Mayor and City Council's Committee of the Whole

**FROM:** Chris Aiston, Economic Development Consultant

**SUBJECT:** Proposed Lease – Retail/Community Gathering Use for 2 E. Wilson Street  
FAWN Gifts, Brea Hayes, Proprietor

## **I. Background**

**The Building Space.** Recently, West DuPage Cabinets and Granite vacated the City-owned Thomle Building, relocating to 143 South Batavia Avenue (former Robbins Flowers space). West DuPage Cabinets and Granite rented this space from the City from November, 2014 to May, 2016. The Lease period was established for twelve months but allowed the business to remain in the Thomle Building on a month-to-month basis. In relocating and expanding the business, and of equal importance to the City, relocating to another, larger Batavia downtown commercial building, the City having made the Thomle Building available for this business essentially allowed this building to serve the community as a textbook incubator building.

In April, through a connection facilitated by Jamie Saam at Main Street, I met Ms. Brea Hayes, who with her partner, James Cardis, had recently moved to Batavia (Mr. Cardis will be serving as marketing consultant for the proposed business) and was inquiring into a possible downtown space to open a new boutique retail store, with additional space to accommodate various small group gatherings. When Ms. Hayes and I met, knowing that WDC&G was vacating the Thomle Building and thinking that the start-up business Ms. Hayes was envisioning might be a great fit for the building, I showed Brea the space and she immediately saw the perfectly timed opportunity for her to realize her business plan. After considering terms and ultimately trading lease draft documents, she and I are prepared to recommend a formal lease for the Thomle Building between FAWN Gifts and the City of Batavia.

**The Proposed Tenant.** Brea Hayes is the President of FAWN Gifts, an Illinois corporation. According to Ms. Hayes request for leasing consideration:

“FAWN Gifts works to foster a community of support and comfort through empathy and self-care. We seek your approval to debut with a retail location in the Thomle Building on Wilson Street in mid-August. We are eager to play an active role in supporting our city and engaging its citizens. Our conversations with local community members and business owners have confirmed that we offer a unique perspective that will complement future downtown business development.”

As proposed, the building will be used as follows:

1. Wilson Street-level storefront space will function as a retail shop, offering for purchase unique lines of greeting cards, bath products, candles, journals, books, plants and accessories. These items can purchased either a la carte, or as components within well-rounded gift boxes.

2. The Second floor (above street-level) will have two business functions, with the separate, northeast corner space serving as an office to meet with private clients in addressing specific gift box needs for special events, holidays, or employee and client appreciation. The main floor area space on the second floor will be used to host an array of community gatherings, focusing on emotional intelligence and creativity, from book clubs to craft nights. Naturally, by hosting such gatherings, Ms. Hayes will also create opportunities for bringing prospective consumers through her retail shop.
3. In accordance with the proposed Lease, the City is making a third floor area available to the tenant FAWN Gifts. This floor is one grade below Wilson Street (access is from the east side, exterior stair case) and will serve the business as additional space for storage.
4. Other terms of the Lease are shown in the attached “Summary of Lease Terms” sheet.

## **II. Analysis**

As to the appropriateness of the City entering into a lease, acting in the capacity as Lessor or Landlord, staff would offer the following information for the COW’s consideration:

1. The subject building is a strategically located storefront within the City’s historic downtown business district and its continued occupancy will offer storefront stability and further promote consumer foot traffic along this first block of East Wilson Street.
2. Specifically, as a new, multiple use destination business, FAWN Gifts may address a unique market demand otherwise unfulfilled in the area.
3. The City will receive \$600 per month (7,200 per year) in rent revenue from leasing the subject building space.
4. The tenant will be responsible for all utility costs (including city electric, sewer and water fees), and leasing the space therefore brings another utility customer to the City.
5. It is hoped that the space will serve to further “incubate” FAWN Gifts and that once the lease expires, Ms. Hayes would relocate this business to another, larger space within the City’s commercial building inventory.

## **III. Recommendation**

Staff recommends the Committee of the Whole forward to City Council with a positive recommendation for its approval the attached Lease between the City of Batavia (Landlord) and FAWN Gifts (Tenant).

As a condition of the Lease, Tenant shall file the necessary paperwork with the Illinois Department of Revenue, declaring its retail business activity and obtaining an Illinois Business Tax identification number. All installations, removals and restoration shall be performed in a good and workmanlike manner so as not to damage or alter the primary structure or structural qualities of the Building or the Premises.

7. **SIGNS, ETC.** With the exception of the items currently in place at the Premises, Tenant shall not place, install or attach any signage, decorations, advertising media, blinds, draperies, window treatments, bars or security installations to the Premises or the Building without Landlord's prior written approval. Tenant shall be allowed to place signage advertising Tenant's business, subject to the Batavia Municipal Code, and may explore opportunities with Landlord to place signage on the building's west exterior building wall (facing the Fox River). Tenant shall repair, paint, and/or replace any portion of the

Landlord
Tenant

Premises or the Building damaged or altered as a result of placement or removal of its signage upon the earlier of vacation of the Premises by Tenant or the removal or alteration of its signage, all of which shall be accomplished at Tenant's sole cost and expense. Tenant shall not, (i) make any changes to the exterior of the Premises or the Building, (ii) install any exterior lights, decorations, balloons, flags, pennants, banners or painting, or (iii) erect or install any signs, windows or door lettering, decals, window and storefront stickers, placards, decorations or advertising media of any type that can be viewed from the exterior of the Premises, without Landlord's prior written consent, and Landlord's determination whether to allow such things shall be final.

8. **UTILITIES; MAINTENANCE; AND TAXES.** Tenant shall obtain, in its own name, and pay at its sole cost and expense, the utilities for the Premises including water, gas, heat, electric, telephone, sewer, cable, DSL, sprinkler charges and any other utilities and services used on or at the Premises, together with any taxes, penalties, surcharges or the like pertaining to the Tenant's use of the Premises, and any maintenance charges for utilities. Tenant shall indemnify and hold harmless the Landlord from and against any and all charges, liabilities and claims for utilities and services used on or at and pertaining to the Premises. If the Tenant fails to pay any charge, cost or claim for said utilities and services, the Landlord may, in its own discretion, pay those expenses, and the those expenses so paid shall immediately become additional rent payable to the Landlord upon the Landlord's payment and notice to Tenant thereof.

Tenant shall pay for the cost of operation and maintenance of the Premises and Property, which costs shall include, without limitation, snow removal, trash collection and security systems, if any. If the Landlord secures a second floor tenant, the responsibilities for the operation and maintenance costs for the Building may be split between the tenants as they agree.

Landlord will pay any real estate taxes that become due on real estate.

9. **INSURANCE.**

A. Landlord agrees to purchase and keep in force and effect during the term hereof, comprehensive general liability insurance and insurance on the Building against fire or other casualty at commercially reasonable rates and with coverage and in amounts customarily carried from time to time by owners of similar commercial buildings in the Kane County, Illinois area.

B. Tenant agrees to be responsible for any damage to the Premises, Building and Property that results or arises from any use of or in connection with the Premises or any act or omission of Tenant or its agents, employees, patrons, invitees or contractors; and Tenant will also hold harmless and indemnify Landlord from and against any liability to any person for person or property injury or property damage resulting from any such causes. Tenant, at its sole cost and expense, shall insure the risk herein assumed by obtaining and paying for a policy of public liability insurance in the amount of One Million Dollars (\$1,000,000.00) for injuries suffered by any person and One Million Dollars (\$1,000,000.00) for injuries suffered by any one occurrence. Tenant shall also maintain, at its sole cost and expense, a policy for property damage insurance, insuring such risk in the amount of One Million Dollars (\$1,000,000.00). Tenant shall also maintain, at its sole cost and expense, a loss of rent policy and loss of business policy in the face amounts of One Hundred Thousand Dollars (\$100,000.00). Tenant shall deliver certificates of

Tenant

all insurance to Landlord prior to the Commencement Date. Tenant shall also name Landlord as an additional named insured party on all policies required by this Section 9. Fire and Extended Coverage Insurance (contents in broad form) on Tenant's property shall be in amounts deemed reasonably adequate by Tenant to insure such personal property.

All such policies shall be issued by an insurance company that is reasonably acceptable to Landlord and shall provide that the policies shall not be cancelled except on no less than thirty (30) days' prior written notice to Landlord. Tenant shall maintain the required insurance coverage throughout the term of the Lease. From time to time during the term of this Lease, Landlord shall have the right to demand proof of the existence of any insurance required herein. Failure to produce proof of insurance shall constitute a default of this Lease. In the event that Tenant shall fail to procure and maintain in force at any time during the term of this Lease any of the insurance which Tenant is obligated to procure and maintain, then Landlord may, at its option, procure the same and collect the cost thereof as additional rent from Tenant at the next ensuing rental payment date, and the same shall become a part of the rent due and payable by Tenant. Tenant agrees not to carry on any activity or store any flammable materials in a manner, which would increase the current fire insurance premium to the Building. Moreover, if there should be a change in the nature of Tenant's business such as to cause an increase in the premiums of any insurance coverage for the Building, Tenant agrees to pay the increase upon presentation of the increased billing by Landlord.

**10. FIRE AND CASUALTY DAMAGE.**

A. Tenant shall give written notice to Landlord immediately if the Premises or the Building, or any portion thereof, are damaged or destroyed. In case the Premises shall be rendered untenantable during the Term or extended Term of this Lease by fire or other casualty, Landlord at its option may terminate the Lease or repair the Premises within one hundred twenty (120) days thereafter. If Landlord elects to repair, this Lease shall remain in effect provided such repairs are completed within said time. If Landlord shall not have repaired the Premises within said time, then at the end of such time, the Tenant may terminate this Lease at its option, and neither party shall have any further liabilities to the other party accept for liabilities accruing prior to the damage or destruction that have not been satisfied. If this Lease is terminated by reason of fire or casualty as herein specified, rent shall be abated during the period of time required by the Landlord to perform the repairs.

B. Notwithstanding anything herein to the contrary, to the extent of a recovery of loss proceeds under the policies of insurance described in this Lease, Landlord and Tenant hereby waive and release each other and any of their respective related parties and affiliates of and from any and all rights of recovery, claim, action or cause of action, against each other, their agents, officers and employees, for any loss or damage that may occur to the Premises, the Building, or personal property within the Building and/or Premises arising from or caused by fire or other casualty or hazard covered or required to be covered by hazard insurance under this Lease. Upon execution of this Lease, Landlord and Tenant shall notify their respective insurance companies of the mutual waivers contained herein and, if available, shall cause each policy described in this Lease to be so endorsed.

**11. LIABILITY AND INDEMNIFICATION.**

A. Tenant shall assume the risk and responsibility for and indemnify Landlord, its successors, assigns, agents, employees, contractors, partners, directors, officers and affiliates (collectively, the "Indemnified Parties") and hold the Indemnified Parties harmless from any and all liability for any loss of or damage or injury to any person (including death resulting therefrom) or property occurring in or on the Premises, regardless of cause, except for any loss or damage caused by the negligence or willful misconduct of Landlord, and its employees and agents, and Tenant hereby releases the Indemnified Parties from any and all liability for same. Tenant's obligation to indemnify Landlord hereunder shall include the duty to defend against any claims asserted by reason of such loss, damage or injury and to pay any judgments, settlements, costs, fees and expenses, including attorneys' fees, incurred in connection therewith.

B. The provisions of this Paragraph shall survive the expiration or termination of this Lease with respect to any claims or liability occurring prior to or stemming from events or conditions occurring or existing prior to such expiration or termination.

C. Notwithstanding the foregoing, Tenant shall not be required to defend, save harmless or indemnify Landlord from any liability for injury, loss, accidents or damage to any person or property resulting from Landlord's negligence or willful acts or omissions, or those of Landlord's officers, agents, contractors or employees.

**12. RESTRICTIONS ON USE.** Tenant shall not use the Premises for the receipt, storage or handling of any Hazardous Substance, unless such use is approved in writing by Landlord and is in conformance in all respects with Section 24 of this Lease. Tenant shall comply with all federal, state, and local governmental laws, ordinances and regulations applicable to the use of the Premises including, without limit, all licensing and permitting requirements and Environmental Laws, and promptly shall comply with all governmental orders and directives for the correction, prevention and abatement of nuisances and Environmental Conditions in or upon, or connected with, the Premises, all at Tenant's sole expense. Tenant shall not cause any objectionable or unpleasant odors, smoke, dust, gas, light, noise or vibrations to emanate from the Premises, nor take any other action that would constitute a nuisance or create an Environmental Condition, or would disturb, unreasonably interfere with, or endanger Landlord or any other Tenants of the Building.

**13. INSPECTION.** Landlord and Landlord's agents and representatives shall have the right to enter the Premises at any reasonable time during business hours following reasonable advance notice to Tenant (except in the case of an emergency) to inspect the Premises and to make such repairs as may be required or permitted pursuant to this Lease. At any time during the Lease term following reasonable advance notice to Tenant, Landlord and Landlord's representatives may enter the Premises during business hours for the purpose of showing the Premises. In addition, Landlord shall have the right to erect a suitable sign on the Premises indicating that the Premises are available. Tenant shall notify Landlord in writing at least thirty (90) days prior to vacating the Premises and shall arrange to meet with Landlord for a joint inspection. Landlord's inspection of the Premises shall be deemed correct for the purposes of determining Tenant's responsibility for repairs and restoration of the Premises.

Landlord
Tenant

14. **ASSIGNMENT AND SUBLETTING.**

A. Tenant shall not have the right to sublet all or part of the Premises or to assign, transfer or encumber this Lease, or any interest therein, without the prior written consent of Landlord, which consent shall not be unreasonably withheld. Any attempted assignment, subletting, transfer or encumbrance by Tenant in violation of the terms and covenants of this Paragraph shall be void.

B. If This Lease is assigned to any person or entity pursuant to the provision of the Bankruptcy Code, 11 US C. § 101 et. seq. (the "Bankruptcy Code"), any and all monies or other consideration payable or otherwise to be delivered in connection with such assignment shall be paid or delivered to Landlord, shall be and remain the exclusive property of Landlord and shall not constitute property of Tenant or of the estate of Tenant within the meaning of the Bankruptcy Code. Any and all monies or other considerations constituting Landlord's property under the preceding sentence not paid or delivered to Landlord shall be held in trust for the benefit of Landlord and be promptly paid or delivered to Landlord.

C. Any person or entity to which this Lease is assigned pursuant to the provisions of the Bankruptcy Code shall be deemed, without further act or deed, to have assumed all of the obligations arising under this Lease on and after the date of such assignment. Any such assignee shall upon demand execute and deliver to Landlord an instrument confirming such assumption.

15. **CONDEMNATION.** If more than fifty percent (50%) of the Premises are taken for any public or quasi-public use under governmental law, ordinance or regulation, or by right of eminent domain, or by private purchase in lieu thereof, and the taking prevents or materially interferes with the use of the remainder of the Premises for the purpose for which they were leased to Tenant, this Lease shall terminate and the rent shall be abated during the unexpired portion of this Lease, effective on the date of such taking. If (i) less than fifty percent (50%) of the Premises are taken for any a public or quasi-public use under any governmental law, ordinance or regulation, or by right of eminent domain, or by private purchase in lieu thereof; or (ii) more than fifty percent (50%) of the Premises are taken for any public or quasi-public use under governmental law, ordinance or regulation, or by right of eminent domain, or by private purchase in lieu thereof, but the taking does not prevent or materially interfere with the use of the remainder of the Premises for the purpose for which they were leased to Tenant, this Lease shall not terminate, but the rent payable hereunder during the unexpired portion of this Lease shall be reduced to such extent as may be fair and reasonable under all of the circumstances. All compensation awarded in connection with or as a result of any of the foregoing proceedings shall be the property of Landlord and Tenant hereby assigns any interest in any such award to Landlord.

16. **SURRENDER OF PREMISES; HOLDING OVER**

A. At the termination of this Lease, whether caused by lapse of time or otherwise, Tenant shall at once surrender possession of the Premises and deliver them to Landlord in as good repair and condition as existed at the Commencement Date, reasonable wear and tear excepted, and shall deliver to Landlord all keys (or other access control devices) for the Premises; and, if such possession is not immediately surrendered, Landlord may forthwith enter upon and take possession of the Premises and

Landlord
Tenant

expel or remove Tenant and any other person who may be occupying them, or any part thereof, without having any civil or criminal liability therefore.

B. All alterations, additions or improvements (whether temporary or permanent in character)

made to or fixtures installed in or upon the Premises, either by Landlord or Tenant, shall be Landlord's property on termination of this Lease and shall remain on the Premises, unless the Landlord consents in writing or directs the removal of same. Provided that all sums owed by Tenant hereunder have been paid, all movable office furniture and equipment not attached to the Building may be removed by Tenant at the termination of this Lease. All such removals shall be accomplished in a good workmanlike manner so as not to damage the Premises or the structural components of the Building or the plumbing, electrical lines or other utilities, and any damage resulting from such removals shall be promptly repaired at Tenant's expense.

C. All alterations, additions, and improvements directed by Landlord to be removed and all movable office furniture and equipment not attached to the Building not promptly removed after such termination shall thereupon be conclusively presumed to have been abandoned by Tenant, and Landlord may, at its option, take over possession of such property and either (a) declare same to be the property of Landlord by written notice thereof to Tenant or (b) at the sole costs and expense of Tenant remove and store the same or any part thereof in any manner that Landlord shall choose without incurring liability to Tenant or any other person (any such removal and storage costs and expenses being payable by Tenant upon demand).

D. Should Tenant continue to hold the Premises after the termination of this Lease (including the expiration of any Extension Options exercised by Tenant), whether the termination occurs by lapse of time or otherwise, such holding over shall, unless otherwise agreed by Landlord in writing, constitute and be construed as a month-to-month tenancy at a daily rental equal to one-thirtieth of an amount equal to two hundred percent (200%) of the amount of the monthly rental payable during the last month prior to the termination of this Lease, and upon and subject to all of the other terms, provisions, covenants and agreements set forth herein except any right to renew this Lease. No payments of money by Tenant to Landlord after the termination of this Lease shall reinstate, continue or extend the term of this Lease and no extension of this Lease after the termination hereof shall be valid unless and until the same shall be reduced to writing and signed by both Landlord and Tenant. Tenant shall be liable to Landlord for all damage which Landlord shall suffer by reason of any holding over by Tenant and Tenant shall indemnify Landlord against all claims made by any other Tenant or prospective Tenant against Landlord resulting from delay by Landlord in delivering possession of the Premises to such other Tenant or prospective Tenant.

17. **INTENTIONALLY DELETED.**

18. **EVENTS OF DEFAULT.** The occurrence of any one or more of the following events shall constitute an "event of default" on the part of Tenant under this Lease;

A. Tenant's failure to pay any rental or other payment or reimbursement payable by Tenant hereunder when due and such failure continues for a period of five (5) days following written notice.

Landlord
Tenant

B. Tenant's failure to pay any amounts owed to contractors or subcontractors for work or services performed in connection with the operation, construction, management or maintenance of the Premises as provided herein, and such failure continues for a period of five (5) days from the date such payment was due.

C. Tenant or any guarantor of the Tenant's obligations hereunder (i) becomes insolvent; (ii) admits in writing its inability to pay its debts; (iii) makes a general assignment for the benefit of creditors; (iv) commences any case, proceeding or other action seeking to have an order for relief entered on its behalf as a debtor or to adjudicate it a bankrupt or insolvent, or seeking reorganizations, arrangement, adjustment, liquidation, dissolution or composition of it or its debts under any law relating to bankruptcy, insolvency, reorganization or relief of debtors or seeking appointment of a receiver, trustee, custodian or other similar official for it or for all or any substantial part of its property; or (v) takes any action to authorize or in contemplation of any of the actions set forth above in this subparagraph C.

D. The initiation of any case, proceeding or other action against the Tenant or any guarantor of Tenant's obligations hereunder is commenced seeking (i) to have an order for relief entered against it as debtor or to adjudicate it a bankrupt or insolvent; (ii) reorganization, arrangement, adjustment, liquidation, dissolution or composition of it or its debts under any law relating to bankruptcy, insolvency, reorganization or relief of debtors (iii) appointment of a receiver, trustee, custodian or other similar official for it or for all or any substantial part of its property, and such case, proceeding or other action (a) results in the entry of an order for relief against it which it is not fully stayed within seven (7) business days after the entry thereof or (b) shall remain undismissed for a period of forty-five (45) days.

E. Tenant's failure to discharge any lien placed upon the Premises in violation of Section 21 hereof within fifteen (15) days after any such lien or encumbrance is filed against the Premises.

F. Tenant's failure to comply with any term, provision or covenant of this Lease (other than those listed in this Section 18) and to cure such failure within fifteen (15) days after written notice thereof to Tenant.

19. **REMEDIES.**

A. Upon each occurrence of an event of default, and in addition to and not in limitation of any other remedy permitted by law or equity or by this Lease, Landlord shall have the option to pursue any one or more of the following remedies without any notice or demand:

- (i) Terminate this Lease; and/or
- (ii) Enter upon and take possession of the Premises without terminating this Lease; and/or
- (iii) Alter all locks and other security devices at the Premises with or without terminating this Lease, deny access to Tenant, and pursue, at Landlord's option, one or more remedies pursuant to this Lease, Tenant hereby specifically waiving any state or federal law to the contrary.

Landlord
Tenant

B. Upon the occurrence of any event of default Tenant, immediately shall surrender the Premises to Landlord; and if Tenant fails so to do, Landlord, without waiving any other remedy it may have, may enter upon and take possession of the Premises and expel or remove Tenant and any other person who may be occupying such Premises or any part thereof, without being liable for prosecution or any claim of damages therefore.

C. If Landlord repossesses the Premises with or without terminating the Lease, Tenant, at Landlord's option, shall be liable for and shall pay Landlord on demand all rental and other payments owed to Landlord hereunder accrued to the date of such repossession, plus all amounts required to be paid by Tenant to Landlord until the date of expiration of the Term of the Lease as stated in Section 1. Actions to collect amounts due by Tenant to Landlord under this subparagraph may be brought from time to time, on one or more occasions, without the necessity of Landlord's waiting until expiration of the Lease term. Landlord may relet the whole or any portion of the Premises for any period, to any Tenant and for any use and purpose.

D. Upon an event of default, in addition to any sum provided to be paid herein, Tenant also shall be liable for and shall pay to Landlord any (i) brokers' fees incurred by Landlord in connection with any reletting of the whole or any part of the Premises; (ii) the costs of removing and/or storing Tenant's or other occupant's property; (iii) the costs of repairing, altering, remodeling or otherwise putting the Premises into condition acceptable to a new Tenant or Tenants; and (iv) all reasonable expenses incurred by Landlord in enforcing or defending Landlord's rights and/or remedies, including reasonable attorneys fees, court costs and other expenses incurred in those efforts.

E. Exercise by Landlord of any one or more remedies hereunder granted or otherwise available, including without limitation, the institution by Landlord, its agents or attorneys of a forcible detainer or ejectment action to re-enter the Premises shall not be construed to be an election to terminate this Lease or relieve Tenant of its obligation to pay rent hereunder and shall not be deemed to be an acceptance of surrender of the Premises by Landlord, whether by agreement or by operation of law, it being understood that such surrender can be effected only by the written agreement of Landlord and Tenant. Tenant and Landlord further agree that forbearance by Landlord to enforce its rights pursuant to the Lease at law or in equity shall not be a waiver of Landlord's right to enforce one or more of its rights in connection with any subsequent default.

F. In the event Tenant fails to make any payment due hereunder when payment is due, to help defray the additional cost to Landlord for processing such late payments, Tenant shall pay to Landlord a late charge in an amount equal to five percent (5%) of such installment; and the failure to pay such amount within ten (10) days after the due date therefore shall be an additional event of default hereunder. The provision for such late charge shall be in addition to all of Landlord's other rights and remedies hereunder or at law and shall not be construed as liquidated damages or as limiting Landlord's remedies in any manner.

20. **MORTGAGES.** Tenant accepts this Lease subject and subordinate to any mortgages and/or deeds of trust now or at any time hereafter constituting a lien or charge upon the Premises, the improvements situated thereon, the Building or the Land, and to any and all increases, renewals,

Landlord
Tenant

modifications, consolidations, replacements and extensions of such mortgages and deeds of trust; provided, however, that if the mortgagee, trustee, or holder of any such mortgage or deed of trust elects to have Tenant's interest in this Lease superior to any such instrument, then by notice to Tenant from such mortgagee, trustee or holder, this Lease shall be deemed superior to such lien, whether this Lease was executed before or after said mortgage or deed of trust. The provisions of this Section 20 shall be self-operative, and no further instrument shall be required to effect such subordination of this Lease. Tenant shall however, at any time hereafter, within ten (10) days after demand, execute any instruments, releases or other documents that may be required by any mortgagee for the purpose of subjecting and subordinating this Lease to the lien of any such mortgage. Tenant agrees to attorn upon demand to any mortgagee, trustee under a deed of trust or purchaser at a foreclosure sale or trustee's sale as Landlord under this Lease. The agreement of Tenant to attorn upon demand contained in the immediately preceding sentence shall survive any such foreclosure sale or trustee's sale. Tenant shall upon demand at any time or times, before or after any such foreclosure sale or trustee's sale, execute, acknowledge and deliver to any mortgagee, trustee under a deed of trust or purchaser at a foreclosure sale or trustee's sale any and all instruments and certificates that in the judgment of such party may be necessary or proper to confirm or evidence such attornment.

21. **MECHANIC'S LIENS.** Tenant has no authority, express or implied, to create or place any lien or encumbrance of any kind or nature whatsoever upon, or in any manner to bind the interest of Landlord or Tenant in the Premises or to charge the rentals payable hereunder for any claim in favor of any person dealing with Tenant, including those who may furnish materials or perform labor for any construction or repairs. Tenant covenants and agrees that it will pay or cause to be paid all sums legally due and payable by it on account of any labor performed or materials furnished in connection with any work performed on the Premises and that it will save and hold Landlord harmless from any and all loss, cost or expense based on or arising out of asserted claims or liens against the leasehold estate or against the right, title and interest of the Landlord in the Premises or under the terms of this Lease. Tenant agrees to give Landlord immediate written notice of the placing of any lien or encumbrance against the Premises.

22. **MISCELLANEOUS.**

A. [Reserved]

B. The terms, provisions and covenants and conditions contained in this Lease shall run with the land and shall apply to, inure to the benefit of, and be binding upon, the parties hereto and upon their respective heirs, executors, personal representatives, legal representatives, successors and assigns, except as otherwise herein expressly provided. Landlord shall have the right to transfer and assign, in whole or in part, its rights and obligations in the Building and property that are the subject of this Lease. Each party agrees to furnish to the other, promptly upon demand, a corporate resolution, proof of due authorization by partners, or other appropriate documentation evidencing the due authorization of such party to enter into this Lease.

C. Neither Landlord nor Tenant shall be held responsible for delays in the performance of their obligations hereunder when caused by strikes, riots, acts of God, shortages of labor or materials,

Landlord
Tenant

war, governmental laws, regulations or restrictions or any other cause of any kind whatsoever which are beyond the control of that party.

D. This Lease constitutes the entire understanding and agreement of the Landlord and Tenant with respect to the subject matter of this Lease, and contains all of the covenants and agreement of Landlord and Tenant with respect thereto. Landlord and Tenant each acknowledge that no representations, inducements, promises or agreements, oral or written, have been made by Landlord or Tenant, or anyone acting on behalf of Landlord or Tenant, which are not contained herein, and any prior agreements, promises, negotiations, or representations not expressly set forth in this Lease are of no force or effect. This Lease may not be altered, changed or amended except by an instrument in writing signed by both parties hereto.

E. All obligations of Tenant hereunder not fully performed as of the expiration or earlier termination of the term of this Lease shall survive the expiration or earlier termination of the term hereof, including without limitation, all payment obligations with respect to taxes and insurance and all obligations concerning the condition and repair of the Premises.

F. If any clause or provision of this Lease is illegal, invalid or unenforceable under present or future laws effective during the term of this Lease, then and in that event, it is the intention of the parties hereto that the remainder of this Lease shall not be affected thereby, and it is also the intention of the parties to this Lease that in lieu of each clause or provision of this Lease that is illegal, invalid or unenforceable, there be added, as a part of this Lease, a clause or provision as similar in terms to such illegal, invalid or unenforceable clause or provision as may be possible and be legal, valid and enforceable.

G. Tenant represents and warrants that it has dealt with no broker, agent or other person in connection with this transaction or that no broker, agent or other person brought about this transaction, other than as may be referenced in a separate written agreement executed by Tenant, and delivered to Landlord prior to execution of this Lease, and Tenant agrees to indemnify and hold Landlord harmless from and against any claims by and other by any other broker, agent or other persons claiming a commission or other form of compensation by virtue of having dealt with Tenant with regard to this leasing transaction.

H. EXCEPT AS OTHERWISE NOTED IN THIS LEASE AND EXCEPT FOR LATENT DEFECTS, TENANT ACKNOWLEDGES THAT (1) IT HAS INSPECTED AND ACCEPTS THE PREMISES IN AN "AS IS, WHERE IS" CONDITION, (2) THE BUILDING AND IMPROVEMENTS COMPRISING THE SAME ARE SUITABLE FOR THE PURPOSE FOR WHICH THE PREMISES ARE LEASED AND LANDLORD HAS MADE NO WARRANTY, REPRESENTATION, COVENANT, OR AGREEMENT WITH RESPECT TO THE MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OF THE PREMISES, (3) THE PREMISES ARE IN GOOD AND SATISFACTORY CONDITION, (4) NO REPRESENTATIONS AS TO THE REPAIR OF THE PREMISES, NOR PROMISES TO ALTER, REMODEL OR IMPROVE THE PREMISES HAVE BEEN MADE BY LANDLORD, AND (5) THERE ARE NO REPRESENTATIONS OR

Landlord
Tenant

WARRANTIES, EXPRESSED, IMPLIED OR STATUTORY, THAT EXTEND BEYOND THE DESCRIPTION OF THE PREMISES.

I. Notwithstanding anything in this Lease to the contrary, all amounts payable by Tenant to or on behalf of Landlord under this Lease, whether or not expressly denominated as rent, shall constitute rent.

J. Interpretation of this Lease shall be governed by the laws of the State of Illinois.

K. This Lease may be executed in two or more counterparts, each of which shall be deemed an original but all of which shall together constitute one and the same instrument.

L. Tenant shall be entitled to the use of on-site parking, provided the use of such parking is directly related to Tenant's business.

23. **NOTICES.** Each provision of this instrument or of any applicable governmental laws, ordinances, regulations and other requirements with reference to the sending, mailing or delivering of notice or making of any payment by Landlord to Tenant or with reference to the sending, mailing or delivering of any notice or the making of any payment by Tenant to Landlord shall be deemed to be complied with when and if the following steps are taken:

**24. HAZARDOUS SUBSTANCES.**

A. The term "Hazardous Substances" shall mean any chemical, substance, product, merchandise, material, controlled substance, object, condition, waste, living organism or combination thereof that is or may be hazardous to human health or safety or to the environment due to its radioactivity, ignitability, corrosivity, reactivity, explosivity, toxicity, carcinogenicity, mutagenicity, phytotoxicity, infectiousness or other harmful or potentially harmful properties or effects, including, without limitation, petroleum and petroleum products, asbestos, polychlorinated biphenyls (PCBs) and all of those chemicals, substances, products, merchandise, materials, controlled substances, objects, conditions, wastes, living organisms or combinations thereof that are now or hereafter become listed, defined or regulated in any manner by any Environmental Law. The term "Environmental Law" shall mean any applicable federal, state or local law, rule, regulation, ordinance, court decision, decree, order, directive, guideline, permit or permit condition relating to pollution or protection of the environment or other health and safety concern and whether now in existence or hereafter enacted. The term "Environmental Condition" shall mean any condition, circumstance, situation, or obligation created by or related to the violation or suspected violation of any Environmental Law or the presence or suspected presence of Hazardous Substances on, about, or under the Building or Premises.

B. Tenant hereby agrees that (i) no activity will be conducted by Tenant on the premises that will generate any Hazardous Substance; (ii) the Premises will not be used by Tenant in any manner for the storage of any Hazardous Substances except for the temporary storage in strict compliance with all

Landlord
Tenant

Environmental Laws of such materials as are used in the ordinary course of Tenant's business (the "Permitted Materials"), provided such Permitted Materials are properly managed, used, transported, disposed of, released, and stored in a manner and location complying with all Environmental Laws and approved in advance in writing by Landlord; (iii) no portion of the Premises will be used by Tenant as or for a landfill, dump or any other on-site disposal of solid waste or Hazardous Substances; (iv) Tenant will not install any underground tanks of any type on or under the Premises; (v) Tenant will not cause any surface or subsurface conditions to exist or come into existence that constitute, or with the passage of time may constitute, a public or private nuisance or a violation of Environmental Law; (vi) Tenant will not permit any Hazardous Substances to be brought onto the premises, except for the Permitted Materials, and if so brought or found located thereon, the same shall be immediately removed, with proper packaging, labeling, transportation, and disposal, and all required cleanup and remediation procedures shall be diligently undertaken, by Tenant and at Tenant's sole expense pursuant to all Environmental Laws. If Tenant fails to comply with any of the covenants in this provision, or fails to comply with any Environmental Law, Landlord, at Tenant's sole expense, immediately may commence remedial action to restore the property to an environmentally sound position. Tenant agrees to notify Landlord immediately of (i) any significant known release of Hazardous Substances, or other chemicals or substances (including without limitation, any release required to be reported to a governmental authority pursuant to any Environmental Law) and (ii) the receipt of any pertinent notices or communications from any governmental authority. Landlord reserves the right, but not the obligation, and without in any way limiting the obligations of the Tenant, to enter and inspect the Premises and conduct any testing, sampling, borings, and analyses as Landlord, in its sole discretion, may deem necessary or desirable. If such inspection or testing discloses the presence of Hazardous Materials or other environmental conditions on the Premises in violation of this subparagraph, Tenant shall reimburse Landlord for the cost of conducting the inspection and testing. Tenant agrees to cooperate fully with Landlord during the course of Landlord's inspection and testing activities. **DATE:** June 16, 2016  
**TO:** Mayor & City Council  
**FROM:** Bill McGrath, City Administrator  
**SUBJECT:** Res 16-54-R Franchise Agreement between City and Comcast of California/Colorado/Illinois/Indiana/Michigan, LP

Attached is Resolution 16-54-R which authorizes execution of a new cable television franchise agreement between the City and Comcast.

There have been 2 minor changes made since the COW after review and consultation with our consultants and attorney and Comcast. Both relate to the PEG Capital Fee provisions in Section 8.7. One is the addition of the word “reasonable” to the description of any PEG Capital Plan proposed by the City from time to time. (We already have received approval of the plan for the first 5 years.) The reason for this is the other change, being removal of a phrase which implied that Comcast could, however unlikely, have a veto over a plan. Since we are confident any plan would be reasonable and justifiable, we suggested the switch.

As stated at the COW, the agreement continues the statutory 5% franchise fee, a portion of which the City has transferred to BATV over the years for non-capital items, and introduces, instead of periodic lump sum payments to the City for PEG, the concept of a monthly fee per customer. At this time that fee, proposed to be \$0.82 per customer per month, equals approximately 1% of revenues which is the same that ATT is required to transfer to the City for PEG activities. The agreement allows this to increase up to \$0.90 over the agreement term. ATT is regulated under a different statute.

The other difference of course is that while the earlier lump sum payments were contained within the Comcast charges, the \$0.82 cents will be pulled out and appears on a separate line on the bills, so there may be some comment. Hopefully the above explanation will succeed to let people know that over time, there is really no change.

The agreement has been reviewed by both Stu Chapman our consultant and Kevin Drendel. In regard to other resident questions that may arise, our regulatory power in terms of quality control and customer service regulation has been largely taken away by the State and Federal governments and thus there are no detailed provisions regarding same.

This Resolution will be on the June 20, 2016 City Council meeting agenda for passage.  
Thank you

2.6.2. In the event an application for a new cable television franchise or other similar authorization is filed with the City proposing to serve the Franchise Area, in whole or in part, the City shall to the extent permitted by law promptly notify the Grantee, or require the Grantee to be notified, and include a copy of such application.

2.6.3. Grantee shall be reimbursed its relocation costs from public or private funds allocated for the project to the same extent as such funds are made available to other users of the Public Way, if any, provided that any utility's exercise of authority granted under its tariff to charge consumers for the said utility's cost of the project that are not reimbursed by the City shall not be considered to be public or private funds.

3.3.2. The Grantee shall not be required to relocate its facilities unless it has been afforded at least sixty (60) days' notice of the necessity to relocate its facilities. Upon adequate notice the Grantee shall provide a written estimate of the cost associated with the work necessary to relocate its facilities. In instances where a third party is seeking the relocation of the Grantee's facilities or where the Grantee is entitled to reimbursement pursuant to the preceding Section, the Grantee shall not be required to perform the relocation work until it has received payment for the relocation work.

## **SECTION 4: Service Obligations**

4.1. Initial Service Obligations. As of the Effective Date of this Agreement, Grantee's Cable System has been designed to provide, and is capable of providing, Cable Service to residential Customers throughout the Initial Franchise Service Area. The Grantee shall continue to make Cable Service available in the Initial Service Area throughout the term of this Agreement and Grantee shall extend its Cable System and provide service consistent with the provisions of this Franchise Agreement.

4.2. General Service Obligation. The Grantee shall make Cable Service available beyond the Initial Franchise Service Area to every residential dwelling unit within the Franchise Area where the minimum density is at least thirty (30) dwelling units per linear Cable System network mile as measured from the existing Cable System's technically feasible connection point. Subject to the density requirement, Grantee shall offer Cable Service to all new homes or previously un-served homes located within one hundred twenty-five (125) feet of the Grantee's distribution cable (e.g., a Standard Installation).

4.2.1. The Grantee may elect to provide Cable Service to areas not meeting the above density and distance standards. The Grantee may impose an additional charge in excess of its regular installation charge for any service installation requiring a drop or line extension in excess of a Standard Installation. Any such additional charge shall be computed on a time plus materials basis plus a reasonable rate of return.

4.3. Programming. The Grantee agrees to provide cable programming services in the following broad categories:

Children	General Entertainment	Family Oriented
Ethnic/Minority	Sports	Weather
Educational	Arts, Culture and Performing Arts News & Information	

Pursuant and subject to federal law, all Video Programming decisions, excluding PEG Access Programming, are at the sole discretion of the Grantee.

4.4. Technical Standards. The Grantee shall comply with all applicable technical standards of the FCC as published in 47 C.F.R., Part 76, Subpart K, as amended from time to time. The Grantee shall cooperate with the City in conducting inspections related to these standards upon reasonable prior written request from the City based on a significant number of Subscriber complaints.

4.5. Annexations and New/Planned Developments. In cases of annexation the City shall provide the Grantee written notice of such annexation. In cases of new construction, planned developments or property development where undergrounding or extension of the Cable System is required, the City shall provide or cause the developer or property owner to provide notice of the same. Such notices shall be provided at the time of notice to all utilities or other like occupants of the City's Public Way. If advance notice of such annexation, new construction, planned development or property development is not provided, the Grantee shall be allowed an adequate time to prepare, plan and provide a detailed report as to the timeframe for it to construct its facilities and provide the services required under this Franchise Agreement.

4.6. Service to School Buildings and Governmental Facilities.

4.6.1. The City and the Grantee acknowledge the provisions of 220 ILCS 5/22-501(f), whereby the Grantee shall provide complimentary Basic Cable Service and a free Standard Installation at one outlet to all eligible buildings as defined in said state statute. Eligible buildings shall not include buildings leased to non-governmental third parties or buildings such as storage facilities at which government employees are not regularly stationed.

4.6.2. Long Drops. The Grantee may impose an additional charge in excess of its regular installation charge for any service installation requiring a drop or line extension in excess of a Standard Installation. Any such additional charge shall be computed on a time plus materials basis to be calculated on that portion of the installation that exceeds a Standard Installation.

4.7. Emergency Alerts. At all times during the term of this Franchise Agreement, the Grantee shall provide and maintain an "Emergency Alert System" ("EAS") consistent with applicable Federal law and regulation – including 47 C.F.R., Part 11 and the "State of Illinois Emergency Alert System State Plan" – as may be amended from time to time. Should the City become qualified and authorized to

activate the EAS, the Grantee shall provide instructions on the access and use of the EAS by the City to the City on an annual basis. The City agrees to indemnify and hold the Grantee harmless from any damages or penalties arising out of the negligence of the City, its employees or agents in using such system.

4.8. Customer Service Obligations. The City and Grantee acknowledge that the customer service standards and customer privacy protections are set forth in the Cable and Video Customer Protection Law, 220 ILCS 5/22-501 *et seq.*, and enforcement of such requirements and standards and the penalties for non-compliance with such standards shall be consistent with the Cable and Video Customer Protection Law, 220 ILCS 5/22-501 *et seq.* as amended from time to time.

## **SECTION 5: Oversight and Regulation by City**

5.1. Franchise Fees. The Grantee shall pay to the City a Franchise Fee in an amount equal to five percent (5%) of annual Gross Revenues received from the operation of the Cable System to provide Cable Service in the Franchise Area; provided, however, that Grantee shall not be compelled to pay any higher percentage of fees than any other video service provider, under state authorization or otherwise, providing service in the Franchise Area. The payment of Franchise Fees shall be made on a quarterly basis and shall be due forty-five (45) days after the close of each calendar quarter. If mailed, the Franchise Fee shall be considered paid on the date it is postmarked. Each Franchise Fee payment shall be accompanied by a report prepared by a representative of the Grantee showing the basis for the computation of the franchise fees paid during that period. Any undisputed Franchise Fee payment which remains unpaid in whole or in part, after the date specified herein shall be delinquent. For any delinquent Franchise Fee payments, Grantee shall make such payments including interest at the prime lending rate as quoted by JP Morgan Chase & Company or its successor, computed from time due until paid. Any undisputed overpayments made by the Grantee to the City shall be credited upon discovery of such overpayment until such time when the full value of such credit has been applied to the Franchise Fee liability otherwise accruing under this Section.

5.1.1. The Parties acknowledge that, at present, the Cable Act limits the City to collection of a maximum permissible Franchise Fee of five percent (5%) of Gross Revenues. In the event that a change in the Cable Act would allow the City to increase the Franchise Fee above five percent (5%), the City shall hold a public hearing and determine if the City should collect the additional amount. Following the determination, the City shall notify the Grantee of its intent to collect the increased Franchise Fee and Grantee shall have a reasonable time (not to be less than ninety (90) days from receipt of notice from the City) to effectuate any changes necessary to begin the collection of such increased Franchise Fee or notify the Grantee of its intent to not collect the increased fee. In the event that the City increases said Franchise Fee, the Grantee shall notify its Subscribers of the City's decision to increase said fee prior to the implementation of the collection of said fee from Subscribers as required by law.

5.1.2. In the event a change in state or federal law requires the City to reduce the franchise fee percentage that may be collected, the parties agree the Grantee shall reduce the percentage of franchise fees collected to the lower of: i) the maximum permissible franchise fee percentage; or ii) the lowest franchise fee percentage paid by any other Cable Operator granted a Cable Franchise by the City pursuant to the Cable Act, and Section 11-42-11 of the Illinois Municipal Code; provided that: (a) such amendment is in compliance with the change in state or federal law; (b) the City approves the amendment by ordinance; and (c) the City notifies Grantee at least ninety (90) days prior to the effective date of such an amendment.

5.1.3. Taxes Not Included. The Grantee acknowledges and agrees that the term "Franchise Fee" does not include any tax, fee, or assessment of general applicability (including any such tax, fee, or assessment imposed on both utilities and Cable Operators on their services but not including a tax, fee, or assessment which is unduly discriminatory against Cable Operators or Cable Subscribers).

5.2. Franchise Fees Subject to Audit. The City and Grantee acknowledge that the audit standards are set forth in the Illinois Municipal Code at 65 ILCS 5/11-42-11.05 (Municipal Franchise Fee Review; Requests For Information). Any audit shall be conducted in accordance with generally applicable auditing standards. Grantee agrees to maintain its books in accordance with GAAP.

5.3. Proprietary Information. Notwithstanding anything to the contrary set forth in this Agreement, the Grantee shall not be required to disclose information which it reasonably deems to be proprietary or confidential in nature, with the exception of the information directly related to an audit of Franchise Fees as set forth in Section 5.2. The City agrees to treat any information disclosed by the Grantee as confidential and only to disclose it to those employees, representatives, and agents of the City that have a need to know in order to enforce this Franchise Agreement and who agree to maintain the confidentiality of all such information. For purposes of this Section, the terms "proprietary or confidential" include, but are not limited to, information relating to the Cable System design, customer lists, marketing plans, financial information unrelated to the calculation of Franchise Fees or rates pursuant to FCC rules, or other information that is reasonably determined by the Grantee to be competitively sensitive. Grantee may make proprietary or confidential information available for inspection but not copying or removal by the Franchise Authority's representative. In the event that the City has in its possession and receives a request under the Illinois Freedom of Information Act (5 ILCS 140/1 *et seq.*), or similar law for the disclosure of information the Grantee has designated as confidential, trade secret or proprietary, the City shall notify Grantee of such request and cooperate with Grantee in opposing such request. Grantee shall indemnify and defend the City from and against any claims arising from the City's opposition to disclosure of any information Grantee designates as proprietary or confidential. Compliance by the City with an opinion or directive from the Illinois Public Access Counselor or the Illinois Attorney General under the Illinois Freedom of Information Act, 5 ILCS 140/1 *et seq.*, or with a decision or order of a court with jurisdiction over the City, shall not be a violation of this Section.

## **SECTION 6: Transfer of Cable System or Franchise or Control of Grantee**

6.1. Neither the Grantee nor any other Person may transfer the Cable System or the Franchise without the prior written consent of the City, which consent shall not be unreasonably withheld or delayed.

6.2. No transfer of control of the Grantee, defined as an acquisition of fifty-one percent (51%) or greater ownership interest in Grantee, shall take place without the prior written consent of the City, which consent shall not be unreasonably withheld or delayed.

6.3. No consent shall be required, however, for (i) a transfer in trust, by mortgage, hypothecation, or by assignment of any rights, title, or interest of the Grantee in the Franchise or in the Cable System in order to secure indebtedness, or (ii) a transfer to an entity directly or indirectly owned or controlled by Comcast Corporation.

6.4. The Grantee, and any proposed transferee under this Section 6, shall submit a written application to the City containing or accompanied by such information as is required in accordance with applicable law and FCC regulations, specifically including a completed Form 394 or its successor, and in compliance with the processes established for transfers under FCC rules and regulations, including Section 617 of the Cable Act, 47 U.S.C. §537. Within thirty (30) days after receiving a request for consent, the City shall, in accordance with FCC rules and regulations, notify the Grantee in writing of the additional information, if any, it requires to determine the legal, financial and technical qualifications of the transferee or new controlling party. If the City has not taken final action on the Grantee's request for consent within one hundred twenty (120) days after receiving such request, consent shall be deemed granted. As a condition to granting of any consent, the City may require the transferee to agree in writing to assume the obligations of the Grantee under this Franchise Agreement.

6.5. Any transfer of control resulting from or after the appointment of a receiver or receivers or trustee or trustees, however denominated, designated to take over and conduct the business of the grantee, whether in a receivership, reorganization, bankruptcy or other action or proceeding, unless such receivership or trusteeship shall have been vacated prior to the expiration of a one hundred twenty (120) day period, shall be treated as a transfer of control pursuant to 47 U.S.C. §537 and require the City's consent thereto in the manner described in Section 6 above.

## **SECTION 7: Insurance and Indemnity**

7.1. Insurance. Throughout the term of this Franchise Agreement, the Grantee shall, at its own cost and expense, maintain such insurance and provide the City certificates of insurance in accordance with Title 7, Chapter 4 of the Batavia Code of Ordinances of 1986, as amended.

7.2. Indemnification. The Grantee shall indemnify, defend and hold harmless the City, its officers, employees, and agents (the "Indemnitees") from and against any

injuries, claims, demands, judgments, damages, losses and expenses, including reasonable attorney's fees and costs of suit or defense (the "Indemnification Events"), arising in the course of the Grantee constructing and operating its Cable System within the City. The Grantee's obligation with respect to the Indemnitees shall apply to Indemnification Events which may occur during the term of this Agreement, provided that the claim or action is initiated within the applicable statute of limitations, notwithstanding that the claim may be made or action filed subsequent to the termination or expiration of this Agreement. The City shall give the Grantee timely written notice of its obligation to indemnify and defend the City after the City's receipt of a claim or action pursuant to this Section. For purposes of this Section, the word "timely" shall mean within a time period that does not cause prejudice to the respective positions of the Grantee and/or the City. If the City elects in its own discretion to employ additional counsel, the costs for such additional counsel for the City shall be the responsibility of the City.

7.2.1. The Grantee shall not indemnify the City for any liabilities, damages, costs or expense resulting from any conduct for which the City, its officers, employees and agents may be liable under the laws of the State of Illinois.

7.2.2. Nothing herein shall be construed to limit the Grantee's duty to indemnify the City by reference to the limits of insurance coverage described in this Agreement.

## **SECTION 8: Public, Educational and Governmental (PEG) Access**

8.1. PEG Capacity. The Grantee shall provide capacity for the City's noncommercial Public, Educational and Governmental Access ("PEG") Programming through two (2) Channels (the "Channels") on the Grantee's Cable System. Unless otherwise agreed to by the City and the Grantee to the extent required by applicable law, the Channels shall be carried on the Grantee's basic digital service tier. The City's PEG Access Programming shall be provided consistent with Section 611 of the Cable Act, as amended from time to time. The City may request, and Grantee shall provide, a third PEG Channel upon one hundred eighty (180) days advance written notice by the City and sufficient proof that the current Channels are inadequate for all programming offered. "Sufficient proof" shall include a verified program log of all original, non-repeat, first-run, non-character generated, locally produced programs that are carried on the existing Channels for the prior six month period during the times of noon to midnight. In the event that eighty percent (80%) of the programming on the Channels meets the criteria of being original, non-repeat, first-run, non-character generated, locally produced programming, Grantee shall provide a third Channel. Any cost for the activation of the third Channel shall be paid for by the City. The Grantee agrees to submit a cost estimate to activate the third channel within a reasonable period of time following the City's request. After an agreement to reimburse the Grantee for its expenditure, the Grantee will implement any necessary system changes within a reasonable period of time. In the event no agreement is reached, the Grantee shall not be obligated to activate the third Channel.

8.2. Rules and Procedures for Use of the PEG Access Channels. The City shall be responsible for establishing, and thereafter enforcing, rules for the non-commercial use of the PEG Access Channels and to promote the use and viewership of the Channels.

8.3. Allocation and Use of the PEG Access Channel. The Grantee does not relinquish its ownership of a Channel by designating it for PEG use. However, the PEG Access Channels are, and shall be, operated by the City. The City shall adopt rules and procedures under which Grantee may use the PEG Access Channel for the provision of Video Programming if a PEG Access Channel is not being used for its designated purpose(s) pursuant to Section 611(d) of the Cable Act, 47 U.S.C. §531.

8.4. Editorial Control. Grantee shall not exercise any editorial control over any use of the PEG Access Channels except as permitted by 47 U.S.C. §531(e).

8.5. Origination Point. At such time that the City determines that it wants to establish capacity to allow its residents who subscribe to Grantee's Cable Service to receive PEG Access Programming originated from Schools and/or City facilities (other than those having a signal point of origination at the time of the execution of this Agreement); or at such time that the City determines that it wants to change or upgrade a location from which PEG Access Programming is originated; the City will give the Grantee written notice detailing the point of origination and the capability sought by the City. The Grantee agrees to submit a cost estimate to implement the City's plan within a reasonable period of time. After an agreement to reimburse the Grantee for its expenditure within a reasonable period of time, the Grantee will implement any necessary system changes within a reasonable period of time.

8.6. PEG Signal Quality. Provided the PEG signal feed is delivered by the City to the designated signal input point without material degradation, the PEG Channel delivery system from the designated signal input point shall meet the same FCC technical standards as the remainder of the Cable System set forth in this Agreement.

8.7. PEG Capital Support. At its sole discretion, the City may designate reasonable PEG access capital projects to be funded by the City as set forth herein. The City shall send written notice to Grantee of the City's desire for Grantee to collect as an external charge a PEG Capital Fee of up to ninety cents (\$0.90) per customer per month to be passed on to each Subscriber pursuant Section 622(g)(2)(C) of the Cable Act (47 U.S.C. §542(g)(2)(C)). The Grantee shall collect the external charge over a period of twelve (12) months, unless some other period is mutually agreed upon in writing. Grantee shall make the PEG capital payments from such sums at the same time and in the same manner as Franchise Fee payments. The notice shall include a detailed and itemized description of the intended utilization of the PEG Capital Fee for PEG Access Channel facilities and/or equipment and the Grantee shall have the opportunity to review and make recommendations upon the City's plan prior to collecting and paying to the City the requested amount. The capital payments shall be expended for capital costs associated with PEG access. Consistent with the description of the intended utilization of the PEG Capital Fee, the City shall be permitted to hold all

or a portion of the PEG Capital Fee from year to year as a designated fund to permit the City to make large capital expenditures, if necessary, as long as any funds remaining at the end of the term of this Agreement shall be credited to PEG Capital obligations in the subsequent Franchise. Further, if the City chooses to borrow – from itself or a financial institution – funds for large PEG capital purchases or capital expenditures, the City shall be permitted to make periodic repayments using the PEG Capital Fee. Said PEG Capital Fee shall be imposed within one-hundred twenty (120) days of the City’s written request.

8.7.1. For any payments owed by Grantee in accordance with this Section 8.7 which are not made on or before the due dates, Grantee shall make such payments including interest at an annual rate of the prime lending rate as quoted by JP Morgan Chase & Company or its successor, computed from time due until paid. Any undisputed overpayments made by the Grantee to the City shall be credited upon discovery of such overpayment until such time when the full value of such credit has been applied to the PEG Capital Fee liability otherwise accruing under this section.

8.7.2. Grantee and City agree that the capital obligations set forth in this Section are not “Franchise Fees” within the meaning of 47 U.S.C. § 542.

8.8. Grantee Use of Unused Time. Because the City and Grantee agree that a blank or underutilized PEG Access Channel is not in the public interest, in the event the City does not completely program a Channel, Grantee may utilize the Channel for its own purposes. Grantee may program unused time on the Channel subject to reclamation by the City upon no less than sixty (60) days’ notice. Except as otherwise provided herein, the programming of the PEG Access Channel with text messaging, or playback of previously aired programming shall not constitute unused time. Text messaging containing out of date or expired information for a period of thirty (30) days shall be considered unused time. A programming schedule that contains playback of previously aired programming that has not been updated for a period of ninety (90) days shall be considered unused time. Unused time shall be considered to be a period of time, in excess of six (6) hours, where no community produced programming of any kind can be viewed on a PEG Access Channel. Unused time shall not include periods of time where programming cannot be viewed that are caused by technical difficulties, transition of broadcast media, signal testing, replacement or repair of equipment, or installation or relocation of facilities.

## **SECTION 9: Enforcement of Franchise**

9.1. Notice of Violation or Default. In the event the City believes that the Grantee has not complied with a material term of the Franchise, it shall notify the Grantee in writing with specific details regarding the exact nature of the alleged noncompliance or default.

9.2. Grantee’s Right to Cure or Respond. The Grantee shall have thirty (30) days from the receipt of the City’s written notice: (A) to respond to the City, contesting the assertion of noncompliance or default; or (B) to cure such default; or (C) in the event

that, by nature of the default, such default cannot be cured within the thirty (30) day period, initiate reasonable steps to remedy such default and notify the City of the steps being taken and the projected date that the cure will be completed.

9.3. Enforcement. Subject to applicable federal and state law, and following notice and an opportunity to cure and respond pursuant to the provisions of Section 9.2 above, in the event the City determines that the Grantee is in default of any material provision of the Franchise, the City may:

9.3.1. seek specific performance of any provision that reasonably lends itself to such remedy or seek other relief available at law, including declaratory or injunctive relief; or

9.3.2. in the case of a substantial or frequent default of a material provision of the Franchise, declare the Franchise Agreement to be revoked in accordance with the following:

(i) The City shall give written notice to the Grantee of its intent to revoke the Franchise on the basis of a pattern of noncompliance by the Grantee. The notice shall set forth with specificity the exact nature of the noncompliance. The Grantee shall have ninety (90) days from the receipt of such notice to object in writing and to state its reasons for such objection. In the event the City has not received a response from the Grantee or upon receipt of the response does not agree with the Grantee's proposed remedy or in the event that the Grantee has not taken action to cure the default, it may then seek termination of the Franchise at a public hearing. The City shall cause to be served upon the Grantee, at least ten (10) days prior to such public hearing, a written notice specifying the time and place of such hearing and stating its intent to request termination of the Franchise.

(ii) At the designated hearing, the City shall give the Grantee an opportunity to state its position on the matter, present evidence and question witnesses, after which the City shall determine whether or not the Franchise shall be terminated. The public hearing shall be on the record. A copy of the transcript shall be made available to the Grantee at its sole expense. The decision of the City shall be in writing and shall be delivered to the Grantee in a manner authorized by Section 10.2. The Grantee may appeal such determination to any court with jurisdiction within thirty (30) days after receipt of the City's decision.

9.4. Remedies Not Exclusive. In addition to the remedies set forth in this Section 9, the Grantee acknowledges the City's ability pursuant to Section 3.1 of this Franchise Agreement and Title 7, Chapter 4 of the Batavia Code of Ordinances of 1986, as amended, to enforce the Grantee's compliance with the City's requirements regarding "Construction of Utility Facilities in Rights Of Way." Notwithstanding the foregoing, nothing in this Agreement shall be interpreted to permit the City to exercise such rights and remedies in a manner that permits duplicative recovery from, or payments by, the Grantee. Such remedies may be exercised from time to time and as often and in such order as may be deemed expedient by the City.

## **SECTION 10: Miscellaneous Provisions**

10.1. Force Majeure. The Grantee shall not be held in default under, or in noncompliance with, the provisions of the Franchise, nor suffer any enforcement or penalty relating to noncompliance or default (including termination, cancellation or revocation of the Franchise), where such noncompliance or alleged defaults occurred or were caused by strike, riot, war, earthquake, flood, tidal wave, unusually severe rain or snow storm, hurricane, tornado or other catastrophic act of nature, labor disputes, failure of utility service necessary to operate the Cable System, governmental, administrative or judicial order or regulation or other event that is reasonably beyond the Grantee's ability to anticipate or control. This provision also covers work delays caused by waiting for utility providers to service or monitor their own utility poles on which the Grantee's cable or equipment is attached, as well as unavailability of materials or qualified labor to perform the work necessary. Non-compliance or default shall be corrected within a reasonable amount of time after force majeure has ceased.

10.2. Notice. Any notification that requires a response or action from a party to this franchise within a specific time-frame, or that would trigger a timeline that would affect one or both parties' rights under this franchise, shall be in writing and shall be sufficiently given and served upon the other party by hand delivery, first class mail, registered or certified, return receipt requested, postage prepaid, or by reputable overnight courier service and addressed as follows:

To the City:

City of Batavia  
100 North Island Avenue  
Batavia, Illinois 60510  
ATTN: City Administrator

To the Grantee:

Comcast  
155 Industrial Drive  
Elmhurst, Illinois 60126  
ATTN: Director of Government Affairs

Recognizing the widespread usage and acceptance of electronic forms of communication, emails and faxes will be acceptable as formal notification related to the conduct of general business amongst the parties to this contract, including but not limited to programming and price adjustment communications. Such communication should be addressed and directed to the person of record as specified above. Either party may change its address and addressee for notice by notice to the other party under this Section.

10.3. Entire Agreement. This Franchise Agreement embodies the entire understanding and agreement of the City and the Grantee with respect to the subject matter hereof and supersedes all prior and contemporaneous agreements, understandings, negotiations and communications, whether written or oral. Except for ordinances adopted pursuant to Sections 2.4 and 2.5 of this Agreement, all ordinances or parts of ordinances related to the provision of Cable Service that are in conflict with or otherwise impose obligations different from the provisions of this Franchise Agreement are superseded by this Franchise Agreement.

10.3.1. The City may adopt a cable television/video service provider regulatory ordinance that complies with applicable law, provided the provisions of any such ordinance adopted subsequent to the Effective Date of this Franchise Agreement shall not apply to the Grantee during the term of this Franchise Agreement.

10.4. Severability. If any section, subsection, sentence, clause, phrase, or other portion of this Franchise Agreement is, for any reason, declared invalid, in whole or in part, by any court, agency, commission, legislative body, or other authority of competent jurisdiction, such portion shall be deemed a separate, distinct, and independent portion. Such declaration shall not affect the validity of the remaining portions hereof, which other portions shall continue in full force and effect. If any material provision of this Agreement is made or found to be unenforceable by such a binding and final decision, either party may notify the other in writing that the Franchise has been materially altered by the change and of the election to begin negotiations to amend the Franchise in a manner consistent with said proceeding or enactment; provided, however, that any such negotiated modification shall be competitively neutral, and the parties shall be given sufficient time to implement any changes necessitated by the agreed-upon modification.

10.5. Governing Law. This Franchise Agreement shall be deemed to be executed in the State of Illinois, and shall be governed in all respects, including validity, interpretation and effect, and construed in accordance with, the laws of the State of Illinois and/or Federal law, as applicable.

10.6. Venue. Except as to any matter within the jurisdiction of the federal courts or the FCC, all judicial actions relating to any interpretation, enforcement, dispute resolution or any other aspect of this Agreement shall be brought in the Circuit Court of the State of Illinois, Kane County, Illinois. Any matter brought pursuant to the jurisdiction of the federal court shall be brought in the United States District Court of the Northern District of Illinois.

10.7. Modification. Except as provided in Sections 5.1.1 and 5.1.2, no provision of this Franchise Agreement shall be amended or otherwise modified, in whole or in part, except by an instrument, in writing, duly executed by the City and the Grantee, which amendment shall be authorized on behalf of the City through the adoption of an appropriate ordinance or resolution by the City, as required by applicable law.

10.8. No Third-Party Beneficiaries. Nothing in this Franchise Agreement is intended to confer third-party beneficiary status on any person, individual, corporation or member of the public to enforce the terms of this Franchise Agreement.

10.9. No Waiver of Rights. Nothing in this Franchise Agreement shall be construed as a waiver of any rights, substantive or procedural, Grantee may have under Federal or state law unless such waiver is expressly stated herein.

10.10. Validity of Franchise Agreement. The parties acknowledge and agree in good faith on the validity of the provisions, terms and conditions of this Franchise Agreement, in their entirety, and that the Parties have the power and authority to enter

into the provisions, terms, and conditions of this Agreement.

10.11. Authority to Sign Agreement. Grantee warrants to the City that it is authorized to execute, deliver and perform this Franchise Agreement. The individual signing this Franchise Agreement on behalf of the Grantee warrants to the City that s/he is authorized to execute this Franchise Agreement in the name of the Grantee.

IN WITNESS WHEREOF, this Franchise Agreement has been executed by the duly authorized representatives of the parties as set forth below, as of the date set forth below:
