Re: Batavia Police Pension Fund – 2019 Tax Levy Certification

Dear Ms. Colby:

The undersigned is legal counsel for the Batavia Police Pension Board. Section 3-143 of the Pension Code requires the Pension Board to annually certify the amount sufficient for the City to meet its required contribution to the pension fund pursuant to sections 3-125 and 3-127 of the Pension Code.

Pursuant to the most recent actuarial valuation report issued by Lauterbach & Amen, the City's recommended tax levy for the Batavia Police Pension Fund for the upcoming tax year should be **\$2,266,449**. Accordingly, during its most recent regular meeting the Pension Board voted to certify this amount as the recommended 2019 tax levy for the police pension fund. Attached for the City's review is a copy of the actuarial valuation report as of January 1, 2019.

Pursuant to section 3-143 of the Pension Code, also enclosed is a copy of the Municipal Compliance Report for the fiscal year ended December 31, 2018.

As always, the Pension Board thanks the City for its commitment to properly fund the police pension fund. Please contact me if you have any questions regarding this matter.

Sincerely,

Jeff Goodloe
