Press Release

Kirk Road Multi-Use Path Reconstruction Project Kane County Section No. 18-00502-00-BT

Starting the week of Monday, April 1, 2019, **construction activities** will begin on the multi-use path along the west side of Kirk Road from Pine Street to approximately 750 ft north of Mesa Lane in Batavia, Kane County. During the work, there may be temporary single lane closures of southbound Kirk Road with flaggers directing traffic. Construction work hours will be from **7:00 am until 5:00 pm Monday thru Saturday. This work is anticipated to take approximately two months to complete**, weather permitting.

County Highway	From	To
Kirk Road	Pine Street	750 ft north of Mesa Lane

The work will include setting up erosion and traffic controls, tree trimming, earth work, asphalt removal, placement of stone and asphalt, and restoration of the parkway. A new press release and additional signage will be provided prior to any new traffic pattern changes due the construction activities.

Kirk Road will remain open during construction, but may be reduced to one lane of travel for the southbound lanes using temporary daily lane closures. Motorists need to be prepared to reduce their speed, exercise caution, and be extra alert. Motorists must watch for construction workers, construction vehicles entering or leaving the site, and obey flaggers and other traffic control devices within the work zone. Motorists should expect delays while traveling through the work areas. Motorists may want to add additional time to their commutes and consider the use of alternate routes while this work is being completed.

A reminder – **it is illegal for drivers to talk on a cell phone while driving through a highway construction work zone.**

Questions and concerns may be directed to Patrick VerHalen (630) 208-3138. For all Kane County Traffic Advisories, see <http://www.co.kane.il.us/dot/trafficalerts/Default.aspx>.
